

This plan is conceptual and is subject to further review and revisions.

All dimensions, areas, etc. are estimated and have been calculated for design progress only.

This plan has not been completely reviewed for compliance with all jurisdictional codes and requirements which may require additional plan revisions.

All boundary, wetlands, existing facilities and/or structures shown on this plan are approximate and may be subject to change upon a formal survey, which also may result in revisions to the proposed portions of this plan.

All lakes, wetlands, wetland impacts, and wetland mitigation, are preliminary and subject to change upon a formal review by the appropriate agencies and professionals and shall be considered subject to change.
